Shane –

Could you let me know how many private cameras we have up and running, or in progress if you even have that information?

Thank you,

Dan

New Flock Cameras Shared

Great News! Casa Grande Mobile Estates (CA) has just shared their cameras with Santa Maria CA PD, granting you and your organization the ability to search footage from their Flock Safety cameras.

ADD CAMERAS

In order for users in your organization to access footage from these cameras, you or another administrator must add the network to your roles:

1. Open **Organization Management**
2. Click on the **Roles** tab
3. Click on the **"triple dots"** next to the role(s) you want to provide access to and select **Edit**
4. Click on the **Networks** drop down and select the network(s) you'd like to add to the role
5. Click **Save** and repeat for other roles as desired
